

## Golden Beach Newsletter September 2022

### Returning by Popular Demand -- Personalized Pavers!

It has been a few years since neighbors had the opportunity to add a personalized paver to the collection at the beach access benches.

Neighbors have asked whether it is possible to re-open the program, so they can have a personalized paver of their very own.

The answer is YES!

If there is sufficient demand, Golden Beach Associates will

commission a custom engraving production run and arrange professional installation. The cost of each new custom paver will be \$200, and if GBAI receives orders for at least 20 new custom pavers the project is a “go.”

For neighbors who already have a stone installed at the beach, you are not left out! If you wish a replacement paver or an additional paver, here is your chance.

This is a wonderful opportunity to express your affections, your memories, or simply your happiness at being in Golden Beach.

If you are interested, please send an email to [contact@goldenbeachassociates.com](mailto:contact@goldenbeachassociates.com) and include the word “Paver” in the email subject line.

## ShorePoint Health Venice hospital facility closes

A local institution – the hospital on Tamiami, across from Publix – is closing. Elective surgeries were discontinued August 26, the Emergency Department closed on August 29, and final facility closure is slated for September 22, 2022.

Hospital services in the city continue to be provided by Sarasota Memorial Hospital, located in northeast Venice.

If you utilized services at ShorePoint (*nee* Venice Regional Bayfront Hospital), you may want to check that your health insurance is accepted at other local hospitals or care providers of your choice. Not all local facilities accept the full range of health insurance carriers that were accepted by ShorePoint.

## Thank You to all of our Volunteers

Thank you to all of our neighbors who volunteered over the summer in maintaining and improving the Golden Beach experience! The unsung efforts of the GBERT team, for excellence in post-consumer waste stream management ... the continued efforts of many in keeping our showers, fountains and hoses flowing ... the ongoing care and watering of our plants ... the preparation and execution of our annual membership drive mailing ... the tortuous path to obtaining final permit approvals for our lovely new storage shed ... the Sunday happy-hour events ... and all the many small things that make Golden Beach such a wonderful place.
