WATERING RULES

City of Venice residents are permitted to irrigate lawns **one day** per week:

Even addresses on Tuesdays

Odd addresses on Thursdays

Before 8 a.m. and after 6 p.m. for properties under 2 acres. For properties 2 acres or greater, watering is allowed before 10 a.m. and after 4 p.m.

Hand watering hot spots and micro-irrigation of other plants is allowed on any day, at any time.

New and replaced lawns get a 60-day exemption. Irrigation can occur any time of day on the day of installation, and during the restricted hours on any day thereafter for up to 60 days.

There are no restrictions on car washing, pressure washing, use of fountains or use of reuse or reclaimed water. A shut-off nozzle on hoses should be used for car washing and hand watering of garden plants. Conservation is encouraged.

City of Venice Lawn Watering Rules

Our neighborhood – in fact, southwest Florida in general – has experienced a very dry year. To help ensure we continue to have water available, the City of Venice has in place regulations on watering of lawns and plants. The regulations, shown here, are simple. Complying with these regulations on lawn watering benefits everyone.

There are no regulations on car or pressure washing, though conservation is encouraged.

Gazebo Reservations If you would like to use the gazebo for a large event – birthday parties, graduation celebrations, etc – please make a reservation in advance by contacting Dee Leatherbury at dleatherbury@peoplepc.com.

The gazebo cannot be reserved on holidays, or when Golden Beach is holding a neighborhood social event. The schedule of reservations is posted in the bulletin board at the beach easement.

When you use the gazebo for an event, remember: only Golden Beach members or their houseguests may park in the parking lot, and parking is limited to one vehicle at a time per household. Because trash facilities are limited, we ask that you remove perishable trash when you leave.

Our beach access is shared and maintained by our community. Please use the facilities as you would any treasured resource. Pick up your trash and, if it's large, take it with you. And if you use the picnic facilities, please clean up afterwards. You and your neighbors reap the benefits.

Dogs want a vacation on the Beach?

According to the City of Venice, dogs are not permitted on the beach except at Venice's wonderful Brohard Paw Park, a beach park dedicated to canine fun:

"The Brohard Paw Park features a fenced dog play yard that leads to the only beach area in Sarasota County where dogs are allowed." A beach where your dog can frolic, run free, and play with other dogs – without other beach goers giving you dirty looks, or running the risk of ruining your day with a hefty fine from the city.

Brohard Paw Park – it's the place to be for your dogs!
